

Driver Version: V1.00
Published: Aug 18, 2015

These release notes include important information about D-Link LAN adapter driver revisions. Please follow below steps for driver upgrades:

- Please refer to [Revision History and Requirement](#) for driver and hardware version matrix.
- If you are installing a new LAN adapter, please check the hardware version on the device label. Make sure that your adapter meets the requirement of this driver version.
- Please install the drivers before inserting LAN adapter into the computer's PCIe slot.

For more detailed information regarding our LAN adapter products, please refer to [Related Documentation](#).

You can also download the LAN adapter drivers from <http://tsd.dlink.com.tw>.
