Check Your Package Contents

These are the items included with your purchase:
If any of the below items are missing, please contact your reseller.

DUB-AV200 USB 2.0 MPEG1/2/4 Video Converter

CD-ROM (containing Drivers, Installation Guide, Manual, Application Software and Warranty)

One 5V/2.0A AC Power Adapter

⚠️ ## Run the Driver CD before you install the DUB-AV200

For the first-time installation of DUB-AV200, two steps are involved: USB 2.0 Driver and software. See below for detailed descriptions of these installations.
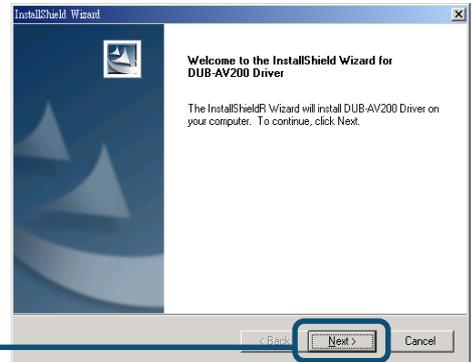

① USB Driver Installation

Turn on your computer and **Insert** the **D-Link DUB-AV200 Driver CD** in the CD-ROM drive.
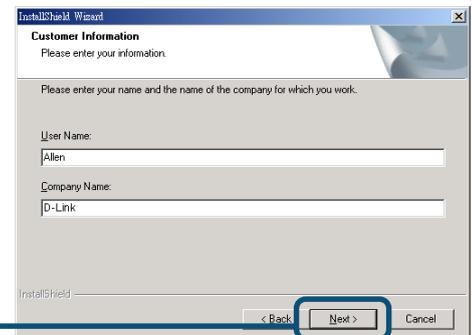

Click **Install DUB-AV200 Driver**

If the Autorun screen does not automatically start, click on **Start** > **Run**, enter "**D:\Bin\Autorun.exe**" and click **OK**. "**D**" represents the letter of your CD-ROM drive. Replace it if your CD-ROM drive is a different letter.
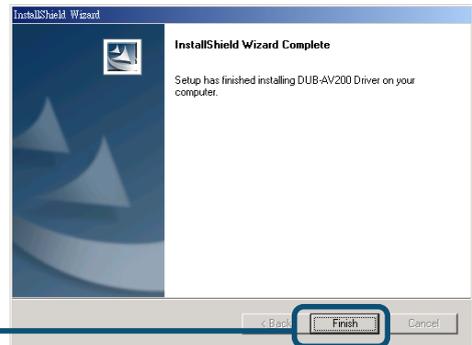

Click **Next**

Click **Next** to Proceed or **Back** to Make Changes

2
